 Resilience      Honesty      Courage

Term: Summer | Date: June 18, 2021

## THIS WEEK'S NEWS

We started the week with 13 children in year 6, Mr Driscoll and Mrs and Miss Ellard setting off for their week-long residential trip to Haytor. I went up to see them on Wednesday evening and having spoken to them and getting my regular reports from Mr Driscoll, they have had a really fabulous week. A huge thank you to the aforementioned adults in giving up their time to make this week special for the children.

On a similar theme on Tuesday, our youngest children visited the Aquarium to enhance their learning about 'Under the Sea'. It was a really brilliant day and the children were wowed by their experience. It is trips like these that really make learning exciting - thank you to all of your contributions and to the Explorers teaching team for organising it.

It goes without saying that we will all be disappointed with the latest announcement from the Prime Minister and the delay in relaxing the rules - but with cases back on the rise, it is the safest thing to do. This will impact on some of the activities we had planned and further information regarding summer events will come out to you in a separate letter.

Have a wonderful weekend,  
God Bless,  
Mr Dyson

## SPORTS DAY

**We will still hold a Sports Day on Monday 28th June but unfortunately parents will not be able to attend. Each bubble will complete their activities separately and we will announce the overall winners in our celebration assembly. We will make sure all equipment, as per our risk assessment, is wiped down before the next bubble competes.**

## THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

**Class 1 - Seemer for TEAMWORK.** Seemer is a wonderful team player in Explorers class. He can always be seen helping his friends during learning time, helping others when they find things tricky and generally being a fantastic role model to the other children.

**Class 2 - Harrison & Shayla for TEAMWORK.** This week in PE, these two were amazing! Not only did they work well as partners, but I was able to use them to demonstrate the activities to the rest of the class. Additionally, they challenged themselves and extended the activities to make them harder! This not only impressed me, but other students commented on how well they worked together.

**Class 3 - Jack E for ASPIRATION.** Jack consistently tries his best in school, in and out of lessons. He always challenges himself and asks for help when he needs it. Furthermore, he listens to feedback and uses it to improve and deepen his learning. Keep up the good work Jack!

**Class 4 - Lexi for COURAGE.** This has been a slightly tougher week for Lexi - a lot of her friends going to the residential trip for the week yet she has come in with a smile on her face all week and engaged really well with her learning. Mrs Morrison has been incredibly pleased.

## WEEKLY ATTENDANCE

**Class 1 - 96.26%**

**Class 2 - 93.65%**

**Class 3 - 96.12%**

**Class 4 - 97.90%**

**WHOLE SCHOOL  
96.01%**
