THIS WEEK'S NEWS

We have made it to the end of another very busy half term where I have seen lots of incredible learning happening. I mentioned at the beginning of this term that we have started a new curriculum and our children have really engaged with this - a big thank you and well done to them and also our staff who have put on some amazing opportunities. I have seen some great Art and Design in one class, another class enjoying a pirate day, one class taking their learning out of school to the Box and another class talking about the impact of the Suffragettes. And next term - we have more exciting learning happening. Have a look on the website to find out more.

We go into this half term holiday with huge optimism. The weather is looking good after a few weeks of rain and restrictions are being lifted. I hope you all have something nice planned, even if it is a day out at the park, enjoy it and keep yourselves safe.

Don't forget - we are not back to school until Tuesday 8th June and clubs will continue until then.

Have a lovely week, God Bless.

Mr Dyson

ATTENDANCE

Class 1 - 95%
Class 2 - 87.05%
Class 3 - 96.98%
Class 4 - 89.84%

WIDENING HORIZONS

Today Year 5 had a 'visit' from Babcock International STEM Ambassadors, making Cartesian Divers and oil lava lamps! All the materials required have been provided by Babcock - how cool is that?

Widening Horizons, (Milfield Inspired) have done all they can to keep the program going during a pandemic which has made outside visits impossible.

The crowning of Our Lady.

This afternoon the whole school went to Mass to celebrate Mary. It has been a long-standing Catholic tradition to honour the Blessed Virgin Mary in May. It serves as a reminder of Mary's importance in the life of the Church and in our own lives as well.

We held a "May Crowning," presenting Mary with a crown made of flowers to signify her importance as the mother of Christ. It was a lovely service and really special to get the whole school in the Bishop's garden to celebrate this occasion. Thank you to Canon Mark, Mr Driscoll and Mrs Cook for their effort in making it such a lovely event.

RESIDENTIAL

For parents of children in Years 4 and 5, I have had some very encouraging responses back about the trip next

March and it will be going ahead. I will finalise costs over half term and share a letter with you all in the first week back to give you enough time to start saving and paying the bill.
