## MR DYSON'S NEWS

*welcome back!*  
**WELCOME BACK!**

I cannot explain how happy I was yesterday morning seeing the huge queue stretching down the street of all our school family eagerly waiting to come in. What the last few months has taught me is to not take anything for granted. Seeing you all, and of course the children, was a special moment. They have had a great, settled start back. Children are enjoying being with the friends again and with their teachers.

It is still a new experience for us all, and we have yet to welcome our new Foundation children to school which will happen on Monday, but what a lovely way it has been to start the new school year.

With everything, the best made plans sometimes need adjusting. One of our adjustments has been to change the collection arrangements. We are thankful that Canon Mark has agreed to open the Cathedral gates which means we will have two open gates at the end of the day. You will come in the normal gate to collect your child, but will leave out of the Cathedral car park gate to avoid any unnecessary contact with others. It was quite chaotic at the end of the day yesterday so hopefully this will help with the flow of movement. We do ask that people keep moving to avoid others having to wait. Thank you for your cooperation with this.

I hope you all have had a lovely summer. Let's hope the weather in September is kind to us.

Have a lovely weekend. God Bless.

## WELCOME

**We are delighted to welcome Mrs Chambers and Miss Woollson to our staff team. Mrs Chambers will be working with children across the school in helping them with their academic studies. Miss Woollson will be teaching our newest children in Foundation until Mrs Gleed returns from maternity. Please do say hello when you see them to make them feel welcome in our school family.**

## PE

**From Monday 7th September we will be reintroducing PE sessions during school. Please ensure your child comes to school in their PE kits on their allocated days. They will NOT need to change in to their school uniform.**

**Class 1 - Tuesday & Wednesday**

**Class 2 - Tuesday & Wednesday**

**Class 3 - Thursday**

**Class 4 - Thursday & Friday**

## GOVERNANCE

Canon Mark O'Keeffe is our new Chair of Governors. He will be working closely with our school to help us move forward and get even better than we already are. Mrs Chong was our Chair of Governors and will still be part of our governing body. She worked tirelessly for the school and was incredibly supportive to me during my first 18 months here. My thanks goes to Mrs Chong for her dedication towards our school family.

## OUR NEW UNIFORM LOOKS AMAZING.

**WE ARE SO  
SMART!  
WELL  
DONE  
EVERYONE.**
