MR DYSON'S NEWS

This week has seen more guidance released from the government in a bid to get the country moving again. This is likely to impact on schools but in what capacity remains unclear so for now, we are still operating as we have been since June 1st. The only change we are making is the collection times at the end of the school day. They will be as follows:

Foundation bubble at 15:00

Class 2 bubble at 15:05

Class 4 bubble at 15:10

Class 3 bubble at 15:15

I am delighted to announce that Mrs Williams will be returning on July 6th. She has been absent for this academic year after having an operation, but she has now been given the green light to return. This is bittersweet as it means we will be saying farewell to Mrs Sargison who has covered her absence. I am extremely grateful to Mrs Sargison and the work and care that she has given to some of our families. We wish her well for her next venture.

Stay safe this weekend - I hope the sun is shining.

God Bless

WORSHIP

We had a live stream for our liturgy on Monday morning. We will make a few slight tweaks but we felt it was a success so we will do this again next Monday.

It is Missio's Day of many colours so the liturgy will be a vibrant event!

SCHOOL DINNERS

We have completed a survey this week regarding the meal options we are currently offering. From Monday, the children will be able to order either a meat choice meal or a jacket potato, there will be no vegetarian option.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Samuel for LOVE. Our topic this week, dinosaurs, is a real passion of Samuel's which has shone through brightly in every lesson. He has shown a real love of learning and has been keen to share his prior knowledge and understanding. He definitely is the dinosaur man!

Class 2 - Vance and Blaise for ASPIRATION. I have just been blown away by the amount of work I have been receiving from Blaise and Vance as i type this now from France. They have been completing all the home learning packs that I send home, and are showing that even in this unusual time, they can strive to do their best. Well done boys, you are really impressing me!

Class 3 - Lukas for COURAGE. We all know Lukas always tries very hard with his learning and his approach to his learning is amazing. This award is to recognise how well he has settled into our new bubble. Lukas has gained confidence and is regularly joining in with all activities, joking and showing his wonderful sense of humour. It is a pleasure to have you in our bubble.

Class 4 - Billy for COURAGE. Billy has been a joy to have in class. He works extremely hard with his learning and understands why our current rules are so important to follow. With this knowledge he has helped our younger children adapt and always does it effortlessly and with a smile.

Term: Summer | Date: June 26, 2020

SUMMER

We have been very fortunate to have had such lovely weather recently and our children in school are spending

more and more time outside. With this in mind, please can I ask that all children who are attending school to bring in sunscreen everyday. Our staff will advise the younger children on how to apply but they will be unable to help apply due to current distancing rules.

SEND

During the current COVID19 Pandemic, Plymouth Parent Carer Voice (PPCV) and Plymouth City Council SEND Service are working together to understand and better support the experiences of families who have children with special educational needs. Therefore, we would be very grateful if you would respond to a short questionnaire, which focuses on you and your child's experience of teaching and learning during lockdown and provides an opportunity to tell us how these events impact your family.

UNIFORM

Our new uniform, as mentioned last week, is ready to purchase. Please note that governors have agreed that all children from Year 1 to Year 6 will be expected to wear a collared shirt and a tie. I am sure you will agree that our uniform looks incredibly smart and I look forward to seeing everyone in September wearing their uniform with pride.

DINNER VOUCHERS

During these challenging times, many families have been concerned about how they will receive the financial support they need to feed their children at home without the free school meal entitlement during the closure of schools.

To help deliver this support, Edenred are working with the Department for Education to deliver eCode vouchers to those families during the summer holiday.

Catered will continue to provide lunch hampers until we break up for summer.

In the meantime, please ensure you have provided the school office with a current email address by Wednesday 8th July so we can start the process in issuing the Edenred eCodes.
