THIS WEEK'S NEWS

This week's gospel teaches us about humility. Humility is a trait and a value that we promote in our school. As we prepare for Christmas, it is important that we remember life is not all about us, and that giving to others can be so much more than receiving. With this in mind, we are still collecting anything you can spare for those who are not as fortunate as ourselves. Please make any donations you can and bring them to the office.

- *Any non-perishable foods such as packets, tins etc*
- *Any unwanted toys or games that are unopened which can be used for children who are in great need this Christmas*

Thank you to all those who have made contributions to our twelve days of Christmas. For those that haven't, there is still time and we do really need your support. Please bring the £5 to the office or give to your child's teacher.

I will send a letter out next Friday to those who have returned the slips and the contributions with information about our late night Christmas on Wednesday 17th December. 0

We are almost there! Two more weeks. Please keep following the government guidelines, keep safe and let's get to the end of the year in good health. pport with this.

God Bless, Mr Dyson

CHRISTMAS CARDS

We are allowing children to bring in Christmas cards this year. They need to be placed in the box that will be outside the main door every morning from Monday where they will be quarantined and handed out to children on the two Fridays we have left. Last day to bring cards in will be Tuesday 15th December 2020.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Paige for RESILIENCE. This week Paige has shown me how resilient she is. When faced with difficulties and challenges whilst completing activities, she has kept going, trying different ways to achieve her end goal. Well done for being so resilient this week Paige.

Class 2 - Theo for ASPIRATION. It's been hard to choose a value as he has shown so many but this week he gets it for aspiration. Theo is trying so hard to be independent in his learning. He will make use of his sound mat in English, use manipulatives in maths and only come to an adult when he is really stuck. What a wonderful growth mindset Theo, well done!

Class 3 - Raphael for COURAGE. Raphael was successful when auditioning for a solo part in one of Class 3's hymns for the Advent carol service. I can see that Raphael is nervous when he stands up to perform but he shows courage by standing up and singing beautifully in front the whole class. Well done Raphael.

Class 4 - Jan for RESILIENCE. Jan has been awarded the Heart of Gold Award for the resilience he has shown this term with regards to his work. Jan has been listening to his feedback and working incredibly hard to try and reach his targets. Well done Jan. A brilliant example to Class 4.
