THIS WEEK'S NEWS

Today we welcomed Luke Pollard to our school. Luke is our local MP for Plymouth Sutton and Devonport and does a lot of work to support our city. The primary reason for his visit was to come and 'open' our new climbing frame. He was really impressed with our school, our uniform and the children's behaviour when he had a brief walk around. The children were, as always, incredible!

Earlier this week, three girls in Year 6 came to me asking if they could share some proposals that we could adopt as a school to help contribute to making our world a better place. Some of their ideas were fantastic. Some of their ideas included having a local community clean-up, creating eco-bricks to make pieces of furniture within our school and a more ambitious request of getting solar panels amongst a whole host of other ideas. The meeting we had was so rewarding in that it shows that the Pope's message of Laudato Si is really hitting home with our children who want to start making our world a better place to be. Well done girls! Let's turn some of these ideas into reality.

This week's gospel reading teaches us to always do the right thing, which is not always easy. This week, let us all try to do what is right! God bless.

Mr Dyson

READING AT HOME

Our reading records are arriving next week. We will be sending these home every Monday which you will then keep at home. Read with your child every night and sign each night and then bring them back in every Friday.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Isla for RESILIENCE. Isla has worked very hard this week and kept going with all tasks even when they were difficult.

Class 2 - Geovane for ASPIRATION. This week he has absolutely blown my mind with how hard he is trying in every lesson, especially phonics. His handwriting has greatly improved, as has his care over his learning. He has been a great role model and should be incredibly proud. I know I am. Well done Geovane!

Class 3 - Theo for ASPIRATION. During lockdown, we were impressed by Theo's resilience when he found home learning challenging. Since being back at school, we have been impressed by his determination to succeed. Theo is trying extremely hard in every subject and making great progress. Well done Theo, keep up the good work!

Class 4 - Ryan for ASPIRATION. Ryan has demonstrated a fantastic attitude to his work so far this term. He is trying his best to develop his understanding and is always willing to share his thoughts and opinions. He is truly trying to fulfil his potential. Well done!
