Dear Parents and Carers,

Premier Sports – Extra Curricular Clubs

I am pleased to inform you that we will be continuing our sports and extra-curricular club opportunities for our pupils next term through Premier Sports.

All the clubs on offer will be delivered by Premier Sport staff who hold a variety of sporting qualifications and safeguarding certificates including an enhanced DBS check and First Aid qualifications. All clubs encourage fun and the importance of being active and having a healthy lifestyle as well as lots of activities and mini competitions.

Each club has a maximum of 20 places. These will be allocated on a **first come first serve** basis and must be booked and paid online via www.family.premier-education.com and click on 'courses' or 'register & log-in'.

Each club will run for a 5 week block, starting the week beginning the 14th January. The school will be subsidising the clubs through our Sports Premium Funding, which means the cost to parents/carers is just £10 for the entire 5 week block. (£2 per session).

A range of different activities will be on offer through the year and change on a termly basis, ensuring opportunities are in place for different years groups across the school. Below is an overview of the clubs that will be running next term.
