MR DYSON'S NEWS

It has been another enjoyable week in school even though the weather has not been the best. The children in school have been thoroughly enjoying their learning.

I watch the statistics for the virus closely each day and despite the reopening of shops and relaxing of the lockdown, numbers are plateauing. This has led to us receiving several requests this week for children to return to school. I am expecting more phone calls over the next few weeks as we continue to get used to the 'new' normal. We will try to accommodate requests but, with the guidance around the 2m distancing, it is impossible for us to fit in approximately 50 children who are eligible. Therefore, if we continue to receive requests for returns to school, we will have to adapt our current provision.

Also, we are still not able to provide before and after school care due to the bubbles not being able to mix. If guidance changes on this, I will be sure to let you know.

God Bless

WORSHIP

We will be live streaming our weekly Liturgy every Monday from 9:30am via Facebook, please join us.

SCHOOL DINNERS

CaterEd are currently offering two choices on their menus. Jacket potatoes are **only** available on Mondays, Wednesdays and Fridays. Please chat to your child before they come to school about which meal choice they would like, particularly on a Tuesday and a Thursday if they normally choose jacket potatoes.

UNIFORM

Our uniform looks lovely and we cannot wait to see our children in this from September. Uniform can be purchased from the uniform shop on Mayflower Street.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Victoria for **ASPIRATION**. Victoria has been working very hard on her phonics. She has shown great aspiration by keeping going with her learning and not giving up.

Class 2 - Jack for **COURAGE**. Jack has had an amazing week. He has been brave enough to open up and chat more.

Class 3 - Joseph for **COURAGE**. We have received lots of amazing learning from Joseph this week. He has approached each activity with perseverance and been keen to do well. I have enjoyed seeing some of his creative pieces and reading all of his learning.

Class 4 - Lily for **ASPIRATION**. Lily has been amazing. She has completed her set work every day, whether she is at home or in her school bubble. She always strives to do her very best, sometimes with a smile!
