YMCA Plymouth and Special Olympics Plymouth and District would like to invite you to the launch of our new and exciting partnership on **December 6th 2018**. Come along and find out why our partnership and new activity session matters for people with intellectual and physical disabilities in Plymouth and how you can be involved. We believe all young people in Plymouth deserve the chance to grow, thrive and develop through sport, whatever their ability. If you agree, then please join us on this occasion! Drinks and refreshments are available on the night please, get in touch if you have any questions.

We look forward to seeing you there!
