## THIS WEEK'S NEWS

Today we celebrated our Golden Tea Party winners. Nearly all of the winners were chosen due to their commitment and dedication to their lockdown learning. The winners will receive an invite to a Golden Manners Tea Party with two adults.

We had a fantastic day on Monday focusing on World Water Day. We started the day with a liturgy focusing on water and the living water we receive from Jesus. We also had a speaker from Wateraid, who talked about valuable work they do. Then each class had a focus, from looking at how we use water, to how water is part of cultural practices. We were all very thankful that we don't have to carry heavy buckets of water miles each day.

This Sunday is Palm Sunday. Palm Sunday begins our Holy Week as Christ was welcomed by crowds back into Jerusalem. Such love was shown towards Him, yet there were many who were jealous and disbelieved that He was God's Son. Next week, the school will be taking part in the Stations of the Cross mass and the children will be engaging in activities linked to Holy week - the most important week in the Catholic calendar. Have a lovely weekend - don't forget to put your clocks forward on Sunday evening.

## LATENESS

**A gentle reminder that our gates close at 08:50. I stood on the gate on Wednesday morning and kept them open from 08:50 - 09:00 when at least seven children came in during this ten minute period. Please make sure you get your child to school between 08:30 and 08:50. A one-off is fine, but regularly being late is not.**

## THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Reuben for ASPIRATION. Reuben has been trying so hard this week to really focus in the classroom. He has been working on making the right choices and has shown a positive attitude towards his learning, showing us that he is ready to learn and putting effort into his work. Well done Reuben - keep it up!

Class 2 - David for ASPIRATION. He is so enthusiastic about his learning and has just shown that joy in everything he does. This was especially evident in our computing lesson when he declared it the best day ever! Keep that enthusiasm up Dave, it brightens the classroom!

Class 3 - Joshua for RESILIENCE. I have noticed a real difference with Josh this week who has been trying his best in lessons. Josh has been focusing on his listening skills and this resilience and perseverance has meant that he has been engaged in lessons and answering questions during class discussions. Keep up the good work Josh. Well done.

Class 4 - Ophaelia for COURAGE. Ophaelia has been awarded the Heart of Gold award this week for demonstrating courage. As Mr Dyson (and Dumbledore) said, "It takes a great deal of bravery to stand up to our enemies, but just as much to stand up to our friends." Thank you Ophaelia for being a good friend and courageous member of our class.
