## MR DYSON'S NEWS

Another week has passed by and yet we are still none the wiser about the future. As uncertain as the future is, we must be thankful for still having our health and that we are safe. There was some incredibly sad news in our city this week, as a teacher from Prince Rock Primary School sadly passed away due to Covid-19. I would encourage all of our school family to keep Prince Rock's family and community in our prayers during this sad time. It also makes us realise that we must continue to take the government's advice very seriously, and to stay at home.

On Monday, Mr Driscoll and I met with children in Class 4 using GoogleMeets. It is a bit like Skype or FaceTime and it started my week off perfectly. It was so good to see some of your faces and chat with you all. We have another meeting on Monday so hopefully we will see more children there. If your child is eager to be a part of this, contact your class teacher who will be able to facilitate this.

Have a lovely weekend, and stay safe. Remember if you are entitled to Free School Meals and would like a weekly hamper of food to let us know the week before.

## FOUNDATION INTAKE

This week, we were informed of our new Foundation children who are joining our school in September. It is going to prove to be quite tricky to get our new families to see our school, so what I would like to do is create a 'Welcome Video' for our new children so at least they can get a flavour for our school. If you would like to contribute, we would really appreciate it.

It could be that you film your child sharing some happy memories, or what makes us special. It could be you taking photos of some artwork they/you have done together. If any of you feel brave enough, it would be great to have a video from yourselves from a parents' perspective as to what makes us a school of JOY!

If you would like to send us videos, please send them to me at:

[mdyson@csosm.org.uk](mailto:mdyson@csosm.org.uk)

Thank you everyone.

## CONGRATULATIONS TO...

### THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Deniz for RESILIENCE. He shows us just how hard he is working at home using some resources that help him.

Class 2 - Lena for LOVE. She is always keen to do her learning, producing some lovely pictures for both Miss Grosch and for Captain Tom Moore. A lovely gesture of spreading love.

Class 3 - Dominka for LOVE. She has engaged with everything this week. On Earth Day, she went out to clean up her local community. Fantastic effort.

Class 4 - Alejandro for ASPIRATION. He has tried his best in all the home learning that he has been doing and responding to Mr Driscoll's comments to make improvements.
