MR DYSON'S NEWS

We are now well accustomed to our new way of working and there has been fabulous learning going on this week. Children in Class 1 came and showed me their turtles that they had made and yesterday I saw some excellent paper helicopters.

I have seen children in Year 6 carry out their daily fitness sessions with Joe Wicks, and children in with Miss Grosch have been building airplanes and seeing which one went the furthest.

Mrs Berry's class have enjoyed a virtual chat with friends and Mrs Nankivell on Monday and I have seen some wonderful learning from home too. It has been a thoroughly enjoyable week.

The government announced this week that schools will not be fully open for the foreseeable future. They have said that more places of work will be reopening. If you are someone who needs to go back to work, you must inform us of your situation so we can plan accordingly. We do not have unlimited spaces so we do need notice so we can ensure a space is made available.

Let's hope the weather this weekend is better than what we have had so far this week.

God Bless, Mr Dyson

WORSHIP

John's Gospel this week talks about how Jesus reminds us that he is the living bread. For Jesus, eating is believing; drinking is believing. He told people, "You should *really* eat this living bread which is ME!" The people were obviously a little confused, not understanding why Jesus was telling them to eat him. But he wasn't. Instead, he was telling people that the things he taught them about God were just as important as the bread they ate everyday. It was his way of explaining that the things he taught were so important that they should be done every day. This is a timely reminder for all of us to remember to be kind, trust in him and remember what is important in life.

REPORTS

Amongst everything else, teachers have been busy writing your child's end of year report.

These will look slightly different to previous years mainly because our 'normal' year ended four months early.

You will be informed about your child's effort and attainment in all of the curriculum subjects. We will share with you our assessments of their Personal, Social and Learning skills as well as provide you with a general comment for how well they have done in school.

You will also be informed of their attendance. This figure will be up to the 20th March 2020.

We aim to send reports out on Friday 10th July. Should you wish to discuss any aspect of your child's report with the class teacher, we will arrange online meetings when this can be done.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - David for RESILIENCE. David has been working extremely hard at home and has kept going and not giving up. He came in this week to show how hard he has been working and the progression in his handwriting is superb! Well done David..

Class 2 - Bella for COURAGE. Bella has shown real courage this week. She is not always confident in her learning, but has really started to push herself and try her best.

Class 3 - Patrick for ASPIRATION. Patrick has been trying very hard with his home learning. We have received regular updates from him to show us what he has been up to. We are very impressed with your approach to your learning. Keep up the good work Patrick!

Class 4 - Rosie for LOVE. Rosie has shown love and support for all the children in her bubble, from making up songs for washing hands, to being an amazing role model in the Joe Wicks workout to having a wonderful smile for everyone. You have helped to make our classroom a special place, thank you Rosie.
