MR DYSON'S NEWS

I am not sure about anyone else, but the weeks are going by so quickly. No sooner have we clapped for our NHS on a Thursday evening, it comes around again before we know it. Yesterday was a bit more positive in that the Prime Minister has said we are past the peak. If this is the case, we await for news next week about the potential of opening schools and how this needs to happen safely. I will let you all know once I have this information.

Mr Driscoll, Mrs Ellard and I met some children online earlier this week, and I know Mrs Berry and Mrs Nankivell did the same. It was great to see the children and 'catch-up' with them all. If your child wants to do this, and have a chat with their friends, please e-mail their class teacher who can organise this.

In this Sunday's gospel, Jesus offers His unwavering love and support to us as our Shepherd, but He also wants us to return this gift to Him by offering this same unwavering commitment to one another. It is important we show this during these challenging times.

Stay smiling, keep our school family in your prayers. God Bless,
Mr Dyson

Contact Details

It is vitally important that we have your contact details so we can get messages out to you. Some parents have changed their mobile numbers and have not informed the school. If you have not been communicated with by the school, either through Dojo, e-mail or phone, please let us know so we can update your information.

Recorder Lessons

Our recorder teacher has offered to continue to teach recorder clubs remotely. If this is of interest, please let me know and we can organise this for you. If you need a recorder, we can loan you one from school.
