THIS WEEK'S NEWS

Children have settled back into school really well and have completed some wonderful learning this week.

On Monday, we are celebrating World Water Day. I have seen our whole school walking and running around the playground as we 'walk for water'. We are blessed in our country to have water, unlimited! How many of you brush your teeth and leave the tap running? How many of you have showers that last for ages? We will be discussing with the children how we should not take water for granted and to save water when we can.

On Saturday - it is the International Day of Happiness! Let's hope that the weather stays nice for us all to do something that makes us happy over the weekend.

The Gospel reading on Sunday comes from John and talks about how things can grow from a simple seed. Over the course of the last few weeks, we continue to see our children grow in all aspects of school life.

Parents Evenings will likely to be help remotely and we are planning for these to be on Tuesday 27th and Wednesday 28th April. Class teachers will be sending bookings out to you once we have finalised our plans.

Have a wonderful weekend. Smile and be happy.

God Bless, Mr Dyson

Green Minds / Melbourne Square project

At Cliik we're looking to develop a programme of wellbeing activities for North Stonehouse. We want to find out what things you'd take part in locally. Or what skills you might bring. Please fill in our quick survey, link:

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

Class 1 - Rocky for TEAMWORK. Rocky is a brilliant team player in Class 1. He can always be relied upon to help others without even being asked. Rocky helps other children to make the right choices and is always helping them. Whether it's with their learning, making something or tidying up.

You are a wonderful friend Rocky, the children are very lucky to have you in class.

Class 2 - Victoria for LOVE. She is being such an amazing role model at the moment. She is not only showing beautiful behaviour and respect to both me and Mrs Holloway, but for all the adults who come into our class. And she is working so hard as well! Great job Victoria!

Class 3 - Ignacy for COURAGE. During our computing lesson this week several of the children found themselves a little stuck. Ignacy completed the lesson very quickly and agreed to help the other children in the class when needed. Ignacy tried his best to help by talking through what they needed to do and explaining what he had done during the activity. It was lovely to see Ignacy be so successful in his learning. Well done Ignacy. We are very proud of you.

Class 4 - Daria for TEAMWORK. Daria has been awarded the Heart of Gold Award for Teamwork. She has been supporting her peers in their work and is trying her hardest to make sure that they succeed as a team. In our football sessions, Daria is supportive and encouraging and makes all around her feel special. Well done Daria.
