## MR DYSON'S NEWS

Hello everyone, I hope you are all feeling fit and healthy and continuing to enjoy your time at home.

It is easy to 'moan' about having to stay indoors but when you read some of the stories of people losing their lives, it puts our own personal frustrations into perspective. We have to be thankful that we have our health. In our most challenging times, people come together.

Our school community have certainly done this. I hope you enjoyed our staff video that we shared two weeks ago. There may well be another one coming soon...

And it has been so wonderful looking at all of the fantastic home learning happening.

By Friday, our teachers will have telephoned you all to see how you all are and how else we may be able to help. We will also be looking to host online meetings using Google Hangouts where groups of children can log in at a designated time and chat to us via video link. On behalf of the whole staff time, I can honestly say we are missing you all and are hopeful we will see you soon. Take care, and follow the guidance by staying home.

## UNIFORM

In the Autumn Term, the school council informed us that they wanted to 'smarten up' our uniform. After holding a democratic ballot, our new uniform is now ready and can be bought from The Schoolwear Shop on Mayflower Street. I will share the new uniform policy with you all next week. Here is a preview of our new uniform. Bookbags are also available.
