MR DYSON'S NEWS

We have had a really positive response to our opening for all of our children for their 90 minute slots with their new teacher and some of their friends. We are really excited to seeing the children again, albeit for a short period of time. Due to our risk assessments and the nature of the visits, it is really important that you are on time to drop your child off and to collect your child.

Please do not be late.

You will have seen the news about schools reopening in September. This is really positive for us all but it is likely to be with restrictions in place, such as drop-off times and collections being staggered. Once we have finalized our plans, I will inform you of any changes that will affect you and your child as soon as possible.

Next Friday, your child's report will be ready to collect. You may come in and collect the report at any time between 09:00 and 14:45. They will be labeled in alphabetical order in our hall and we will have clear 2m markers in place so we can continue to adhere to social distancing guidance. If you do not collect your report next Friday, you will need to telephone us the following week and we will give you a time when you may collect it.

This weekend sees a lot of places opening. My advice is to stick to the 2 metre ruling and keep your distance. Stay safe. As exciting as this weekend may seem, the virus is still out there and we don't want any of our school community to get it.

God Bless

WORSHIP

Our Year 6 children loved their leavers' mass today which was led by the Bishop. It was a remote mass which all Year 6 children were invited to be at across Plymouth CAST.

On Monday, we will be streaming our Liturgy live again on Facebook. Please join us at 09:30.

ABSENCE

If your child is absent, we require you to go through the official channels by telephoning the school on 01752 265270. Some parents have been messaging class teachers and this message does not always get through to the office. Our staff try to look at Dojo as often as they can, but on a school day, this is not guaranteed. Some parents do not inform us at all - this adds unnecessary worry and workload to our staff so we would appreciate your support and cooperation with this.
