MR DYSON'S NEWS

A huge welcome to our newest members of our school who have been in every day this week. They have spent this week building up their time in school and have really enjoyed the activities that Miss Woollons and Mrs Brooks have provided. They are a lovely addition to our school family!

I want to thank you all for your understanding each day with our new rules and routines. The children have adapted incredibly well to the new staggered breaktimes and lunchtimes, and the new class set-up. The end of the day procedure is so much better. I appreciate it is a little inconvenient, but by doing it this way, we avoid any compromising of the social distancing. So thank you!

As headteacher, it is so difficult at the moment with all of the rules of Covid-19. Please help me! If your child has a cough or a temperature, ring 111 for advice and a test. If they develop a cough in school or show any symptoms, we will send your child home and will not accept them back to school until a test is carried out and they are negative. This is to protect all of our school family. Thank you for your help with this.

This week's gospel reading is all about forgiveness. In a world where many of us make errors, it is an important thing for us all to be able to forgive.

Have a lovely weekend! Enjoy the sunshine. God Bless.

WELCOME MEETINGS

This week, teachers have put together a presentation for you to watch. The presentations are aimed to welcome you to the year ahead and share with you the important information about the year group they are in. Please enjoy the presentation and, if you have any questions arising from them, message the teacher on Dojo.

PLAYGROUND

Have you seen the new addition on the playground? We are delighted with it, and so are the children who have been playing on it since Wednesday.

Enjoy some of our photos that we have taken this week of the children playing!
