

Term: Summer | Date: July 17, 2020

MR DYSON'S NEWS

What a year! In fifteen years of teaching, I don't think we will ever have one as tricky, as testing or as difficult as the one we have just had. Yet we have made it safely to the summer term. Our prayers have worked and I continue to pray that everyone remains safe and well over the next six weeks.

This is the final newsletter of the year, despite us being back for two more days next week. Those days will be special as we bid farewell to our year 6 pupils who we will miss dearly. Each and every one of them have contributed significantly to our school during my short spell here. I am proud of all 15 of them - they have been brilliant role-models and such fun to teach. The class of 2020 will be remembered fondly. Please keep them in your prayers.

We will be streaming their leavers' mass live on our facebook page so please do tune it to that. I know that many of you will have children who will miss our year 6 children.

I will be sending a letter out on Tuesday about our opening plans in September. Should you have any questions arising from the letter, please e-mail the school and we can answer them.

God bless,
Mr Dyson

WE MISSED YOU!

What a treat it was to see so many children come in to 'meet their teachers' this week. It made my week seeing so many familiar faces. So many of the children have grown! Their smiles have been missed hugely! Well done to everyone who made it in and if you didn't, please don't worry. We will see you soon enough in September.

BREAKFAST CLUB

At governors this week we finalised our plans for Breakfast Club. We will be charging £1.50 for the first child and £1 for any subsequent sibling.

Children will have a choice between a range of cereals and/or toast and a drink. The club opens at 07:30. Anyone arriving after 08:15 will be charged £1.

Payments will be set up on ParentPay.

Having spoken to a number of schools, we believe that this is still of really good value despite having to charge.

VOUCHERS

If you are in receipt of Free School Meals, you should be receiving your weekly food vouchers for the summer holidays. The school office will have been in contact with you to organise this. There will be no hampers next week to collect from school.

There will also not be any home learning available next week for the final two days. Children in school will be having fun tasks whilst teachers being planning for next year.

THIS WEEK'S HEART OF GOLD AWARD WINNERS ARE...

EVERYONE WHO HAS ATTENDED SCHOOL SINCE 1ST JUNE - THE CHILDREN HAVE SHOWN LOVE, ASPIRATION, TEAMWORK, RESILIENCE, HONESTY AND COURAGE.

WE ARE EXTREMELY PROUD OF THEM.
